THEME OF THE CONFERENCE

Transforming Education and Society: Harnessing Digital India, AI, and Gamification in the Tech-Driven Era

ABOUT THE CONFERENCE

The 21st century is witnessing an unprecedented digital revolution that is reshaping education and society. With the rapid advancement of Artificial Intelligence (AI), gamification, and Digital India initiatives, traditional learning paradigms are evolving to meet the demands of a tech-driven world. This transformation is not just about integrating technology but also about redefining teaching methodologies, governance structures, and workforce readiness for the future.

India's Digital India initiative aims to bridge the digital divide by fostering accessibility, inclusivity, and innovation in various sectors, including education. AI is revolutionizing learning experiences through personalized education, data-driven decision-making, and automation. Simultaneously, gamification is emerging as a powerful tool to enhance engagement, motivation, and skill acquisition in both academic and professional training. Together, these elements have the potential to drive a paradigm shift in education and social development, ensuring that learners are equipped with the necessary skills for the digital economy.

In this regard, GRDCE Delhi is organizing this conference in blended mode. This conference aims to foster dialogue on practices, implications and challenges related to Digital initiatives, integration of AI and Digital Literacy impacting the field of Education.

OBJECTIVES

- 1. Explore the impact of Digital India initiatives on education, governance, and social empowerment.**
- 2. Examine the role of AI in personalized learning, skill development, and ethical challenges.**
- 3. Understand how gamification can enhance student engagement and professional training.**
- 4. Analyze the future of work and the role of digital transformation in employability.**
- 5. Foster discussions on cybersecurity, data privacy, and digital literacy.**

SUB-THEMES

- Bridging the Digital Divide: Accessibility and Inclusion**
- NEP 2020 and the Digital Transformation of Learning**
- Ed-Tech Innovations and their Impact on Education**

GURU RAM DASS COLLEGE OF EDUCATION

West Jyoti Nagar (Kardam Marg),Loni Road,Shahadra-Delhi-110094

ABOUT THE COLLEGE

Delhi Sikh Gurdwara Management Committee (DSGMC) has setup **Guru Ram Dass College of Education** not only to serve Sikh community but indeed to serve the human race at large. The foundations of Guru Ram Dass College of Education are laid on the vision to develop quality teachers who could serve the mankind from the very core of their heart, leading to the development of an educated, decent citizen of the World at large. This college is amongst a large number of educational institutes set up and run by DSGMC all over Delhi.

Guru Ram Dass College of Education (GRDCE) affiliated to Guru Gobind Singh Indraprastha University, Delhi, has been instituted by DSGMC which provides Two years regular course for B.Ed. The college is favorably situated, 4 (Four) Km from Metro Transport Station. Well qualified and experienced Principal and faculty members maintain a very healthy academic environment in the college.
