Overview of Excursions for Holistic Development of Learners

Excursion Point	Date	Detail Description
Gyanotsav – 2079	17th November 2022	An Educational Excursion to Visualise NEP 2020 Perspectives a special visit was being planned to attend Gyanotsav keeping in view the need of the students, who are going to be future teachers working with contemporary policies and frameworks. KailashSatyarthiji , Nobel Prize Winner was the chief guest and it was an honour for the team of GRDCE to be present at the moment and listen to such people who have the capabilities and great amount of wisdom that is helpful for our children. Overall this visit prove to be a good experience in widening the horizon of the students and ready to do every possible work that is needed to make the future of our country.

Yamuna Biodiversity Park and Kamala Nehru Ridge	26th November 2022	Eco club, VASUDHA of the college organized the field visit to Yamuna Biodiversity Park & Kamla Nehru Ridge. These visits were planned with view in mind to create an opportunity to synchronized with nature and its importance because until and unless our students are not aware themselves it would not be possible for them to indulge students in such activities. As the students walked through the dense woody vegetation and grasslands, they were explained how the place was brought to life and how it was still conserved for environmental sustainability. Both of the places hold significance relating to Various Species of Birds, Native Trees, Butterfly Conservatory, Plantation of different fruit and vegetable seeds, KhooniJheel, Flagstaff etc. The guides explained about the importance of migratory birds at Yamuna Biodiversity Park and that of Butterfly Conservatory at Kamala Nehru Ridge. Overall the visits were too much of importance and knowledge giving.
