ANALYSIS 2024-25

In conclusion, the feedback reflects a high level of satisfaction among students regarding teaching quality and faculty support, reaffirming the college's strong academic foundation. However, students have expressed a desire for further improvements to enhance their overall college experience. There is a clear interest in greater exposure and collaboration with reputed educational organizations to strengthen learning and professional development. Students have given requests for air-conditioned classrooms, additional relaxing zones, better canteen facilities, free personality development & certificate courses, along with opportunities in performing arts supported by a dedicated music and dance teacher. Addressing these requests would not only enhance student engagement but also contribute to a more vibrant and supportive campus culture. Overall, the feedback highlights student satisfaction with academics while emphasizing the need for expanded opportunities, improved infrastructure and a more enriching campus experience.
